

ALTONA JUNIOR FOOTBALL CLUB INC.

CODE OF CONDUCT CLUB POLICIES & GUIDELINES

SEASON 2019 HANDBOOK

WELCOME TO THE ALTONA JUNIOR FOOTBALL CLUB INC

It is my pleasure on behalf of the Altona Junior Football Club committee to welcome all returning and new players and their families. We are all looking forward to the 2019 season.

The 2019 Committee welcome new members Jason Cassar, Fiona Roy, Nick Bond, Caryn Smith, and Narelle Peachey. We look forward to your input and support over the coming years, while we humbly thank our former president Vito Rubino, Club administrator Naomi Redpath, and Vice President Jason Walsh for their exceptional contributions to the Altona Junior Football Club they have made over many years. They have left the club in a fantastic state, and we will strive to build on the legacy they have left us.

Season 2019 promises to be very exciting for the Altona Junior Football Club. The growth of female football continues, and this season there will be 4 female sides from Under 10's to Under 18's. The boys will have 10 teams from Under 8's to Under 16's. The club will field up to 14 teams with approximately 350 players.

This season we look forward to further strengthening our great club as our coaches are headed by newly appointed coach coordinator Tyson Beckwith. Season 2019 the AJFC will introduce the "Advanced High Performance" coach mentoring program. The program developed by former AFL coach Chris Connolly will give our coaches access to multiple tools that will improve our coaches and our players. The boy's competition in 2019 will transition to even age groups from Under 10's to Under 16's. The WRFL decision to do this will pose some challenges, but also provide opportunities for our players to grow and develop. Remembering always that while the focus on development, it won't be without having fun.

On a personal note, I am honoured to be appointed as President of the Altona Junior Football Club. I will do all I can in this role to maintain the family friendly culture the club has, as we strive not to just develop our players as footballers, but responsible and respectful members of society.

We are proud to be a strong, inclusive club where everyone is welcome. We encourage good sportsmanship and fair play. We foster respect and commitment, hoping to leave a positive impact on all the young people that are involved with the Altona Junior Football Club.
Go Vikings!

Jordon Beckwith
President, Altona Junior Football Club

3.0 COACHING CO- ORDINATOR & TEAM SELECTION

3.1 Coaches Coordinator – Tyson Beckwith

Due to the ever-increasing size of the club and the pressures that our coaches and the committee come under at times, the Coaches Coordinator position was introduced in season 2006 and has proved to be a very positive improvement for the club and all its coaches.

The Coaches Coordinators role is broad and the following is a brief over-view of the position:

- Assist in the selection of coaches for the current season.
- Conduct regular meetings with coaches to discuss any ideas and/or issues which may be relevant.
- Promote and encourage strong communication between all coaches, especially between coaches in the one age group.
- First point of contact for coaches' issues or requests which may need to be raised with the committee.
- Encourage parental support to coaches in assisting with training drills and special skill development for players.
- Organise and maintain the required standard of equipment and supplies to provide all AJFC_players the best opportunity to develop as footballers and people.
- To act as a mediator when any situations may arise and may be required.
- To support the club in ensuring that player and parental codes of conduct are adhered to.

3.2 Team Selection Criteria

It is the Altona Junior Football Clubs intention where possible that players will play in their correct age group. However individual circumstances will be taken into consideration on a case by case basis. This will be at the discretion of the Altona Junior Football Club management in consultation with the players, parents and coaches involved.

3.3 On Field Disciplines

The on-field disciplines listed below have been in place since 2009 and are non-negotiable. All coaches will be required to implement them in all age groups.

- Any player who concedes a 50-metre penalty to be removed from the ground and spoken to by the coach and benched for a length of time at the coaches discretion.
- Any player who is swearing is to be removed from the ground and spoken to by the coach and benched for a length of time at the coach's discretion.
- Any player who is swearing and is audible to any member of the committee can expect to front the committee on a Tuesday night for a please explain.
- Any player sent off for a first time will be required to explain the send-off to the committee on Tuesday night before they can play the following game.
- Any player sent off for a second time in a season must front the committee on Tuesday night to be informed of a suspension.
- Any player sent off for a third time must front the committee on Tuesday night to give a good reason why they want to stay at the club and be given a longer suspension.
- Any player who chooses not to front the committee has their card removed until he/she does so, unless they make a prior agreement with the President and only the President.
- The coaches and committee retain the right to refer any player, parent, guardian, or supporter to the committee for disciplinary action for any breaches outside the actual game that any in way brings the club into disrepute.

3.4 Procedure for U16 Players Selected and asked to Play in U18 Age Group

There is a formal process that needs to be followed before the WRFL will allow any Altona Junior FC U16 players to play for the senior club in the U18 age group. This is due to us being separate clubs.

The president needs to apply to the WRFL for a "temporary permit" for each player and this must be done on a week-by-week basis. Failure to follow this process and obtaining a temporary permit for the players could result in the U18 team losing all points on the day for playing an unregistered player.

The following criteria were also created as a safeguard to the players and the Altona Junior FC and must be followed;

1. Any request from the senior club wanting to play an U16 player must be from the U18 coach directly through our U16 coach and the coach's co-coordinator who must fully agree to any of the U16 players playing on a particular day. This must be done on a week by week basis.
2. Any selected U16 players must agree to play and have both the ability and most importantly the capability to play in the U18 age group. The selected U16 player safety must be the main priority at all times and they should be used only in a peripheral role on the field.
3. The parents of any selected U16 boys must fully agree to their child playing in the U18 age group.
4. That U16 players do not over qualify in the U18 age group and must always remain eligible to qualify to play finals in the U16 age group.
5. The Altona Junior FC committee reserves the right to refuse to allow any U16 player to play in the U18 age group on a particular day if our club considers that it disadvantages the U16 age group.

4.0 ALTONA JUNIOR FC – CODE OF CONDUCT

4.1 Mandatory & Enforceable Codes of Conduct for Coaches, Players, Parents, Supporters and Officials

This Club Code of Conduct applies to all Altona Junior Football Club officials, volunteers, members and supporters.

- The consumption of alcohol is strictly prohibited at any venue while junior football is being conducted.
- Players, spectators and officials should ensure that both on and off field behaviour is consistent with the principles of good sportsmanship.
Therefore:
 - Swearing or abuse by either club officials, players or spectators is not permissible at any time.
 - Disputing an umpire's decisions or behaving in an aggressive manner toward them is totally unacceptable. If there is a genuine concern, there are appropriate channels of communication in place.
 - Aggressive behaviour and abuse toward opposition players, coaches, club officials or spectators is likewise unacceptable.
- All accredited coaches should be assessed by clubs regarding their knowledge of the Rules of the WRFL and their attitude toward working with young people. If their attitude or knowledge is inadequate, steps should be taken to enable them to attend the next available Coaches Accreditation Course for a further re-accreditation. Common sense should prevail if there is an attitudinal problem.

4.2 Philosophies Required to Support this Code of Conduct

- All participants should understand that the Rules of the game are mutual agreements which no-one should evade or break. All those involved in under age football should strive to develop a respect for the League in which they participate, their Club and their opponents.
- We all have an obligation to behave in a manner that will bring credit to ourselves, our Club and the game of Australian Rules Football.
- Players should be proud when walking off the ground after each game knowing they have given of their best.
- For the game to be enjoyable, players must have the opportunity to participate, learn and achieve their potential. The role of adults is to provide the environment for this to occur.
- Selection of teams and amount of field time given to players in under age football should not be decided on current ability only.
- Coaches must take into account the age group and skill level of those they are coaching – neither expecting too much nor too little.
- It is inappropriate in under age football for clubs with a large list of players in any one age group to neither loan nor make allowances for those clubs with smaller lists. Those teams with the greater number should play with no more than one extra player on the field.

4.3 Players' Code of Conduct

- Play for the 'fun of it' and not just to please parents and coaches.
- Play by the Rules and the laws of the game.
- Never argue with an official. If you disagree, have your captain or coach approach the official during a break or after the game.

4.3 Players' Code of Conduct (Continued)

- Control your temper. Verbal abuse of officials or other players, deliberately fouling or provoking an opponent and throwing equipment is not acceptable or permitted in any sport.
- Work equally hard for yourself and your team. Your team's performance will benefit - and so will you.
- Be a good sport. Cheer all good plays whether they are by your team or the other team.
- Treat all players as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player.
- Co-operate with your coach, team mates and opponents - Without them, there would be no game.
- At all times show respect and manners to everyone concerned.

4.4 Officials' Code of Conduct

- Modify rules and regulations to match the skill of children and their needs.
- Compliment both teams on their effort.
- Be consistent, objective and courteous in calling all infractions.
- Condemn the deliberate foul as being unsportsmanlike and promote fair play and appropriate sports behaviour.
- Use common sense to ensure that overcalling violations does not lose the 'spirit of the game' for the children.
- Publicly encourage rule changes, which will enforce the principles of participation for fun and enjoyment.
- Actions speak larger than words. Ensure that both on and off the field your behaviour is consistent with the principles of good sportsmanship.
- Make a personal commitment to keep yourself informed of sound officiating principles and the principles of growth and development of children.

4.5 Parents' Code of Conduct

- If children are interested, encourage them to play sport. However, if a child is not willing to play, do not force him or her.
- Focus upon the child's effort and performance rather than the overall outcome of the event. This assists the child in setting realistic goals related to his/her ability by reducing the emphasis on winning.
- Teach children that an honest effort is as important as victory so that the result of each game is accepted without undue disappointment.
- Encourage children to always play according to the Rules.
- Never ridicule or yell at a child for making a mistake or losing a game.
- Remember that children learn best from example. Applaud good plays by both teams.
- If you disagree with an official, raise the issue through the appropriate channel rather than question the official's judgment and honesty in public. Remember that most officials volunteer their time and effort for your child's involvement.
- Support all efforts to remove verbal and physical abuse from sporting activities.
- Recognise the value and importance of volunteer coaches. They give of their time and resources to provide recreational activities for the children and deserve your support.
- Always remember two points – Sportsmanship and most importantly, always have fun.
- Any grievances should be directed to the Team Manager or Coaches Co-ordinator.

By registering our child with the Altona Junior Football Club we agree to abide by these principles. We support the Club in its undertakings and encourage the Club to take any necessary disciplinary actions including the suspension and banning where warranted of any players, parents and or spectators for repeated or serious breaches of these Codes of Conduct.

5.10 Monitoring and Review of the Policy

The Policy will be monitored on an ongoing basis by the Club's General Committee.

5.11 Policy Commencement

This Policy was passed by the Club's 2006 General Committee in June 2006 and will take effect from this date.

6.0 SMOKE FREE POLICY

6.1 Rationale

The Altona Junior Football Club recognises that passive smoking (inhaling second-hand smoke) is hazardous to health and that non-smokers, in particular children, should be protected from tobacco smoke. Passive smoking can lead to other serious illnesses such as bronchitis, lung cancer, cardiovascular disease, and chest illnesses in children. Accordingly, the following policy has been developed by the Altona Junior Football Club to help protect people's health.

The move to go SmokeFree also complements the Altona Junior Football Club's desire to create a healthy family and friendly environment. Our club believes that such an environment and image will be advantageous in attracting new members and positively promoting the club in the community.

Legislation and the legal duty of care also provide reasons to have a SmokeFree club. Under common law the Altona Junior Football Club has a legal duty of care to ensure that employees, volunteers, players and officials are not exposed to potentially harmful situations. The Occupational Health and Safety Act also stipulate that employees and working volunteers must have a safe environment to work in. Victorian SmokeFree dining legislation also states that enclosed dining areas must be SmokeFree.

6.2 Who is affected by the Policy?

This policy applies to all members, administrators, officials, coaches, players and visitors of the Altona Junior Football Club.

6.3 Implementation

This policy is effective from the 1st March 2006.

6.4 Designated Smoke Free Areas

The Altona Junior Football Club requires the following areas to be SmokeFree:

- Club and social rooms
- Administration and office areas
- Changing rooms
- Toilet blocks
- Indoor spectator viewing areas
- Playing areas
- Eating areas
- Grandstands and spectator viewing areas
- Near entries and exits of buildings, facilities, and the ground

6.5 Sale of Tobacco Products

The Altona Junior Football Club will refrain from selling tobacco products.

6.6 Behavioural Expectations

The Altona Junior Football Club recognises that role modelling can have a significant impact upon the junior members of the club. Hence, the following individuals and groups will refrain from smoking while they are acting in an official capacity for the club or while in club uniform:

- Coaches (when coaching or representing the club)
- Trainers (when training players)
- Officials (when officiating for the club)
- Volunteers (when working for the club)
- Players (when in uniform and representing the club)

Coaches & trainers will also speak to junior players about the effects of smoking on performance.

6.7 Promotion of the Policy

The following mediums will remind patrons about the Altona Junior Football Club's SmokeFree policy:

- Non-smoking signs
- Club handbook
- Advertising and promotional resources (eg brochures, newspaper ads etc)
- Club correspondence (letters, faxes, e-mails etc.)
- Announcements
- Table signage
- Function speeches
- Signage

Ashtrays will be removed from the clubrooms to discourage smoking. Cigarette butt bins will be provided outside to encourage smokers to smoke outside.

6.8 Non-Compliance Strategy

The following five step non-compliance strategy will be followed if anyone breaches the Altona Junior Football Club's SmokeFree policy.

1. Assume that the person is unaware of the SmokeFree policy.
2. A staff member or club representative will approach the person breaching the policy and politely ask them to refrain from smoking and remind them about the SmokeFree policy.
3. If the offence continues, then the most senior staff member or most senior club representative will verbally warn them again and hand over a formally written letter that outlines the club's policy on smoking. The offending patron must also be made aware that if they don't stop smoking then they will be required to leave the club's facility. The club's management committee will sign off on the letter. This letter will be pre-written and kept both behind the bar and at the ground so that copies are readily available.
4. If the offence does continue then the patron will be escorted out of the facility by staff and/or a senior club representative.
5. Under no circumstances should the Altona Junior Football Club's SmokeFree policy be breached: No matter whom the offender is.

6.9 Policy Commencement and Review

This Policy was passed by the Club's 2006 General Committee on the 23rd February 2006 and will take effect from this date. The policy will be reviewed three months after its introduction and then on an annual basis thereafter. This will ensure that the policy remains current and practical.

7.0 PAYMENTS POLICY

7.1 Rationale

The Altona Junior Football Club Inc. (AJFC) is a not for profit community sporting organisation that relies heavily on the funds derived from registration fees to ensure a high-quality, safe and structured environment for its players and volunteers.

This policy has been developed to ensure that AJFC maintains financial sustainability through the timely collection of affordable registration fees, and continues to provide essential support and resources for the club and its members.

Coaches and team managers will be informed of this policy to enable its enforcement.

7.2 Payment by Due Date

Registration fees for all players are due and payable to AJFC as follows:

1. Payments can be made prior to Rego Day via the club website.
2. All fees must be paid in full by Round 4 of the current season unless a Payment Plan has been agreed to and entered into with the approval of the Registrar and/or Treasurer.
3. Players selected for Interleague, or a similar competition, will be required to pay associated fees and costs prior to participation in the competition.

Failure to pay fees by the due date may result in players not being eligible to access benefits of the competition such as selection, finals or participation trophies. Players who have outstanding registration fees may not be granted a clearance or be able to register with another club until all financial obligations to the Club are met.

7.3 Schedule of Fees for season 2019

- | | |
|--|----------|
| ○ 1 Child (new or transferring player) | \$200.00 |
| ○ 1 Child (existing player) | \$200.00 |
| ○ 3 or more children (existing fee structure for first two
+ \$130 for each sibling thereafter) | |

7.4 Refunds

Where circumstances such as injury prevent a player from continuing their participation in the competition, a full or partial refund may be available. The decision to apply a refund, and the amount to be refunded, is at the discretion of the Treasurer and/or Registrar. All decisions shall be presented to the Committee of Management to ensure transparency.

7.5 Exceptions

In return, volunteers shall agree to actively perform their duties to the best of their abilities and to remain loyal to the club's policies and guidelines.

8.5 Volunteer Roles

AJFC is completely managed and operated by volunteers. People's ability to volunteer from time to time or on a regular basis is what helps our club thrive. As well as coaching and committee roles, the club and its teams require the following:

9.0 REGISTRATION POLICY

9.1 Rationale

The AJFC relies upon the ability to send information regarding club news, events and information to keep its members and players up to date and informed. The national legislation within the SPAM & Privacy Acts 2013 have changed, and unless the club has authorisation from the member or player it will not be able to email through any form of communication including newsletters or information regarding marketing, fundraising or events. The AJFC requires access to its members and players via emails to ensure all information is forwarded onto its members in a timely manner. The AJFC is moving forward to providing communications that are environmentally sound, wasting less paper and that are economical for its volunteer's time. Without the ability to send any communications to its members, we are losing valuable opportunity and resources to expand and support our great club.

9.2 Member/Player Rights & Responsibilities

As an integral part of the AJFC, members and players are encouraged to authorise the Altona Junior Football Club to send emails regarding fundraising, events and marketing (including receiving emails from third parties, our sponsors). It is the member and player right to deny access to this form of communication, however, a paper format may not be available. The member or player responsibility is to maintain its knowledge of club news, events and information.

9.3 Altona Junior Football Club Rights & Responsibilities

It is our responsibility to ensure all club members and players are well informed of club news, events and fundraising without misusing this right. Members and players will not be sent any information that is not relevant to the club. Emails from third parties will be authorised prior by the Committee.

9.4 Process of Registration to the WRFL

It is compulsory for **all** players to be registered to the WRFL. Each year, the player/member will have the ability to pay fees and register online via the club link at [AJFC Registration](#). At this point the player/member will be given the opportunity to tick the box authorising Altona Junior Football Club to send information via email.

9.5 Communications

The authorisation to send communications to its members and players is imperative. All communication will be legitimate including our newsletter from the Altona Junior Football Club which will include all upcoming dates to remember and team news. All communication from our sponsors will be authorised by Committee prior to sending.

9.6 Policy Commencement & Review Date

11.0 MOUTHGUARD POLICY

11.1 Introduction & Rationale

Every year thousands of people are treated for dental injuries that could have been avoided by wearing a protective, custom-fitted mouthguard. Wearing a custom-fitted mouthguard helps to absorb and spread the impact of a blow to the face, which may otherwise result in an injury to the mouth or jaw.

Dental injuries can result in time off school or work to recover, can be painful and disfiguring, may involve lengthy and complex dental treatment. The cost of an injury to the teeth or jaw far exceeds the cost of a mouthguard.

11.2 Types of Mouthguards

Custom-fitted mouthguards

Custom fitted mouthguards are superior to over the counter mouthguards and are made from a dental impression and a plaster model of the teeth. They provide the best protection fit and comfort for all levels of sport.

Over-the-counter (boil and bite) mouthguards

These mouthguards include stock mouthguards that do not require fitting, and mouthguards that can be placed in hot water and then self-fitted by biting into them. These offer less protection, can dislodge during play and are not recommended.

11.3 Altona Junior Football Club Rights & Responsibilities

The Altona Junior Football Club will continue to provide the opportunity for all members' to access a custom mouth guard fitting prior to the season commencing, via a reputable dental specialist of current committees choice. It is not compulsory for members to utilise this option. The Altona Junior Football Club cannot guarantee that any injury as a result of not wearing a mouthguard will be covered by our insurance, and therefore will not be responsible for any harm, damage, medical costs or loss of income associated with any injury while not wearing a mouth guard.

11.4 The Mouthguard Policy

Considering the safety and protection benefits presented by mouthguards, the committee have voted unanimously to instigate a mouthguard policy with immediate effect.

- Mouthguards are mandatory and are required to be worn by all players during contact training and at games.
- The club will operate a strict 'No Mouthguard, No Play' policy without exception.
- Coaches and Managers will encourage all players to comply and will remove known non-complying players from training or game environments until such time as they comply.

The club's priority is to deliver the highest standards of safety on and off the field at all times. This policy is implemented as part of this objective.

By registering your child with the Club you agree to abide by this policy.

11.5 Exceptions

AJFC understands that in certain genuine medical circumstances a player may not be able to wear a mouthguard. An Application for Exemption to play football without a mouthguard must be completed, and this will be supported by a current doctor certificate for **that relevant season** with clear reasoning and or explanation as to the inability to observe this Mouthguard Policy. Committee will review application and determine outcome. Committee decision is final.

11.5 Policy Commencement & Review Date

Commenced in November 2016. Reviewed January 2019.
